

Kindergarten and New First Grade registration dates announced

Manchester's elementary schools will be accepting registrations for kindergarten and new first grade students in April. **Students currently attending MSD's pre-school programs do not have to register for kindergarten at their neighborhood school;** those records will be transferred.

Not sure which is your neighborhood school? Find at MANSD.ORG

The dates and times for children and parents to register in person at each school are listed below. Please note that one evening date and time has been scheduled, and students across the city can register there, regardless of their home school. Teachers will be on hand during daytime hours to give your child a literacy screening, which is a simple tool that asks your child to complete some kindergarten and first grade level tasks.

The required forms are available for download at MANSD.ORG.

No appointment is necessary.

Filling them out before your registration day will save you time. Please be aware that some schools might require additional forms specific to those schools.

Information you need to bring:

Birth Certificate
Immunization & Physical record
Two utility bills or copy of your lease.

District-wide registration (For any child, any school)

Registrations accepted for
all schools at:
