- Wednesday, June 14th: P.M. Summer Reading Initiative - final event (TBD); Last day of school--report cards go home.

It is not too late to sign up for our summer drop in program. Please contact Ms. Sam Dion, our Reading Supervisor, if you have any questions about this.

All Hallsville students will have the opportunity to check out books over the summer--which we highly encourage. Please watch for complete information soon. Reading daily is critical to your child's academic advancement. Also, practicing math facts will keep them sharp and ready to move ahead in the fall! Our students have made great gains this year, and we want that to continue!

Father/Daughter dance pictures will be sent home before the end of the school year. Thanks for attending this fun annual event!

If you are going to be moving over the summer, or have recently moved, please complete the form that was sent home so we can plan for next year and make sure your student's records are transferred. All MSD students are expected to attend their neighborhood schools, per the BOSC and Dr. Vargas.

Thank you so much for all of the support you have provided to our various student activities and programs this year! If you would like to sit down and chat over the summer I will be happy to meet with you in July or August. My email is bskogsholm@mansd.org.

Have a safe, happy, and fun summer, everyone!
